NOTICE OF PUBLIC WORKSHOP

August 2004

The Nevada Division of Environmental Protection, Bureau of Water Quality Planning, has scheduled two public workshops to present proposed revisions to the Nevada state water quality standards for inner **Las Vegas Bay** and **Lake Mead** pursuant to Section 303 of the Clean Water Act. The workshops will be held:

Wednesday, August 25, 2004

Southern Nevada Water Authority
1900 E. Flamingo Road
Las Vegas, Nevada
1:00 to 3:00 pm

Tuesday, August 31, 2004

Nevada Division of Environmental Protection
123 W. Nye Lane # 217
Carson City, Nevada
1:00 to 3:00 pm

The purpose of the workshops is to solicit public comments on the proposed revisions and standards. No items will be voted on and no actions will be taken.

Fact sheets and draft rationale, which provide more detailed information on the proposed revisions to the water quality standards, will be available at the time of the workshops. These materials may also be obtained by contacting the Bureau of Water Quality Planning at the address below or by accessing NDEP's website at <http://ndep.nv.gov/admin/new.htm>.

Following the workshops, the proposed water quality standards and revisions will be considered for adoption by the State Environmental Commission at a public hearing. The time and place of that hearing will be announced at a later date.

Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Karen Howard of the Bureau of Water Quality Planning in writing (see below for address) or by calling (775) 687- 9444, at least 24 hours in advance.

For questions, comments or further information regarding the proposed revisions or new water quality standards please contact:

This notice is for electronic distribution
